From the Principal's Desk

As we proudly unveil Volume 6 of Annites Spark at the culmination of this academic year, I am filled with deep gratitude to the Almighty for His unwavering grace and guidance. It is through His blessings that we have journeyed successfully through the year, celebrating commendable results and creating meaningful opportunities for our students to explore and excel. This year has been a vibrant tapestry of learning and innovation. The Robotics Expo beautifully showcased the ingenuity and scientific spirit of our young minds, while initiatives like the Mother Francisca Award reflected our enduring commitment to nurturing character, values, and integrity alongside academic excellence.

This success is a shared triumph. I extend my heartfelt appreciation to our devoted staff, spirited students, and ever-supportive parents. Your dedication and collaboration have helped cultivate an environment where curiosity thrives and perseverance bears fruit. As we pause at the close of this chapter, I encourage each one of you to embrace the vacation as a time of rest and renewal. May it bring moments of joy, deeper family connections, and the energy to return refreshed for the opportunities ahead.

May God continue to bless and guide you always.
